The Posting Pack

Why choose the Posting Pack?

At the TEFL Academy we get some of the highest levels of traffic for our TEFL jobs board. If you look at all native speaking countries we are always in the top 10 for keywords “TEFL Jobs” usually in the top three.

We are also one of the largest TEFL course providers in the world with over 1000+ new TEFL qualified teachers per month all looking for job opportunities abroad.

With the new changes to our board we have made it difficult for entry. Giving you more high quality applicants and allowing us to provide the best service for our students.

FREE

Starting with what is FREE moving forward our no payment package will only allow someone to post ONE job role a month via email address and/or business name. They will also be allowed to use an image at a size of 315px x 135px.

€150 / Monthly

In addition to the above a €150 subscription will make your ONE job post featured with the continuing bumping your post back up to the top through your application.

€250 / Monthly

In addition to the above a €250 pack will allow you three jobs posts for ONE email address / business. If you need to apply further emails or businesses you will need to speak to the team at an additional cost.

The Social Pack

Why choose the Social Pack?

We are the best at what we do because of the team around us. One of the reasons for our huge growth in our industry is our social presence and in particular social advertising.

We will be leveraging our in house data and core audiences, targeting recognised completers over the last few months giving you a competitive edge in applications and more importantly the very best chance of filling those jobs roles. With complete transparency with our custom build reports.

€1500 / for 3 months

Including everything in the posting pack. The additional social pack includes. ONE organic “branded” post on our social accounts for a month (three in total with this package).

Targeted social ads using our core demographic and in house targeting data - total spend for this will be €300 for this package. You’ll also receive a social report at the end of the 3 month campaign showing where your spend went to and how much engagement/traffic was provided.

Lastly you will be given first response priority and a personal account manager details for any enquiries.

€3500 / for 6 months

Similar to the 3 month package, you receive everything in the posting pack. You again get ONE organic “branded” post on our social accounts for a month (six in total with this package). Targeted social ads using our core demographic and in house targeting data - total spend for this pack will be €1000 for this package.

You’ll also receive a social report mid and end of the 6 month campaign showing where your spend went to and how much engagement/traffic was provided. Lastly you will be given first response priority and a personal account manager details for any enquiries.

€7000 / for 12 months

Similar to the packages above you receive everything in the posting pack. You again get ONE organic “branded” post on our social accounts for a month (12 in total with this package). Targeted social ads using our core demographic and in house targeting data - total spend for this pack will be €2400 for this package.

You’ll also receive a social report every 2 months of the campaign showing where your spend went to and how much engagement/traffic was provided. Lastly you will be given first response priority and a personal account manager details for any enquiries.
