The Amazing Talker

Online Tutor/Teacher

- Teaching English to both adults and children online.

Passionate and responsible teacher seeking an Intermediate phase teaching position and can start immediately. I have specialised in Mathematics, English and Social Sciences but I am also equipped with the skills to teach other subjects within the phase.

As teachers we play a large role in shaping our future leaders and generation. There is a lack of passion within the field and i am determined to make a difference in my learner's lives by promoting holistic development and learning.
