## EXPERIENCE

---

I worked at Beracah Pre-Primary School where I taught Grade RR classes, there I managed my own classroom working through the syllabus coursebooks provided by the school teaching the children the four skills of English: Reading, Writing, Listening, speaking while also focusing on the child's development skills.

I also worked at Creative Kids with a child with Autism who was my primary focus, secondary I worked as a teacher assistant helping with lessons and managing the classroom and make sure students arrive at their designated appointments.
