EXPERIENCE

Boarding Supervisor

2023 - present

St Hildas School

- I look after children in a boarding school which includes doing tasks such as helping them with homework, creating relationships and teaching them how to become more independent.
- This school has many more international students who don't speak English very well which has taught me a great deal.

What I learnt?

- I have learnt how to communicate with students who aren't fluent in English and learnt some different techniques on how to deal with students who don't speak the same language.

OSHC Educator

2023 - 2024

PCYC

- I worked as an educator in Out Of School Hours Care which involved me looking after students after school. This also included helping the students with their homework.

What I learnt?

- I learnt how the different types of age groups have different requirements as well as different learning techniques. This position and job has taught me how to deal with students when they are having a disagreement with other students.
