ABOUT ME

I have graduated college, and soon to be a qualified EFL teacher. I enjoy using my creativity to produce stimulating lessons to inspire and engage a class. I work well in a team and can communicate effectively at all levels and ages.

I love working with children of all ages.

EXPERIENCE

I have been working with children of all ages for many years, from nurturing babies to young teenagers. I care for babies and help them reach milestones. I teach pre-school children and equip them with necessary skills, confidents, and a solid foundation to start first grade where they can build on and continue to learn. In after-care I assist children of all ages and make sure that children do their homework after school and tutor children in all subjects that they struggle with and help them to prosper.
