## ABOUT ME

I am a recently qualified English teacher having obtained my level 5 TEFL certificate with The TEFL Academy. I have also obtained my degree in Live Performance at AFDA, where the productions I had been featured in won a total of 9 awards, 2 of which were the prestigious Sony Future Filmmaker Award as well as the South African Film and Television Award. I would like to teach English to combine my passion for travel with the opportunity to help others. By improving their English, I aim to empower students to pursue their goals and open doors to new opportunities in education, work, and personal growth.
