Summary

Highly skilled and enthusiastic EFL teacher (TEFL Certified) with over 4 years of experience in delivering engaging, high-quality lessons to diverse student groups. I have proven ability to adapt teaching methods and tools in order to meet individual learning needs, enhancing participation, performance, and language proficiency while achieving academic goals. Experienced in assessing student progress across primary, middle, and secondary levels; providing constructive feedback to boost confidence and retention. Committed to fostering a positive learning environment through extracurricular activities and promoting cultural exchange. I am proficient in integrating gamification strategies and educational technologies to enhance student engagement and motivation. Remote work is possible.

Professional Experience
