### Profile

I am a degree educated, soon to be qualified EFL teacher. I enjoy being creative and am also keen to use this creativity to create stimulating lessons to inspire a class. I work well in a team and can communicate well at all levels and ages. Mature and lively, I have a variety of outside interests and remain committed to improving my teaching skills further and contributing to the success of the school. I do have experience in teaching. I did teach for the age of 4-6. I still do help 1 child in grade 3 with his homework and helping him learn for his exams.

### TEFL Qualifications

## Education & Courses

2022-NSC (National Senior Certificate)

2023- Lesedi Digital Literacy skills achievement

2024- Executive secretary (personal assistant) skills Certificate

2025-Certificate for level 5 diploma in teaching English as a foreign language

## Relevant Experience

I helped students after school with sport (netball), and with taking care of kids waiting for their parents after school, providing food, something to drink and playing time. When I do this, I make sure they don't get hurt so I will supervise the playground. I was picked to be a part time teacher to get more experience, I did this for 8 months. I still help with a student's homework and learning so I am an au pair for this one child providing food and helping with studies.

## Employment

2023- worked at a primary school for 8 months learning and teaching students

2024-worked at TT & C engineering and hydraulics for the role of administrative

## Hobbies & Interests

I have travelled in South Africa, and I did meet people and experiencing different cultures. Loving Animals is a real passion, I have a lot of animals, and I love them all dearly. I do have a Lot of Hobbies, like sports, Learning Culture, to play Games and to Learn overall. In addition, I keep fit by Running and to Gym. I love to work with children and to learn about their culture and personalities. But I wanted more than just to work at a school near me. I wanted to see the world in a different way, I want to see it through culture and through the students.
