OBJECTIVE

I would like to gain more experience and expand my skill set. This job opportunity is perfectly suited for me because it is aligned with my field of study. It will grow me as a person and allow me to gain the experience that i need to become a better teacher. I am passionate about working with children, and learners of all ages. I have 4 years of experience working in a classroom and I do believe that i am capable of creating a comfortable and enjoyable learning experience for my students.

EDUCATION

Stadio School of Education

Bachelor of Education

I am currently in my fourth year of studying towards my degree in Education, specifically for the Intermediate Phase. I attend Stadio School of Education, formerly known as Embury. I am capable of teaching all subjects and have majored in Sciences and Technology. I believe that my chosen field of study has given me an advantage as I have completed a module known as 'Teaching English as a First Additional Language' where i studied how to reach my target audience and teach English as an additional language. I am equipped with innovative strategies to reach learners of all ages in a way that simplifies the language and makes learning fun.
