

CURRICULUM VITAE

Dune Streutker Austin

“Tell me and I forget. Teach me and I remember. Involve me and I learn.” – Benjamin Franklin

Life is too short to sit back and wait for something to happen. Every day is an adventure with countless opportunities to develop and to grow. I believe that it is our duty to grasp each one of these opportunities and to make the best of them.

My goal is to use my passion for knowledge and discovery to inspire those around me. I want to make a difference in every student's life that I encounter. With patience, passion, and knowledge.

I want to help students to focus on their potential rather than their restrictions.
