CONFERENCES AND SEMINARS

RESPOND - multilevel governance of mass migration in Europe and beyond

[Athens , Mytilene Greece, 15/08/2019 – 31/12/2019]

It was not actually a conference or a seminar. But field research between the University of the Aegean and Upsala University. Our purpose was to make interviews with NGOs, refugees, migrants in Greece, talk about the situation on Lesbos island and about their own experiences, regarding their movement across borders, their final destinations and the quality of life in Greece

Geo-Economy and Inclusive Growth (INNOVIS2022)

[Naxos, Greece, 09/07/2022 – 23/07/2022]

The Department of Geography, School of Social Sciences, University of the Aegean in collaboration with National Kapodistrian University of Athens at Chora Naxos, Greece. Included both theoretical classes and field exercises during morning and afternoon classes. It was addressed to undergraduate and postgraduate students, PhD candidates, as well as researchers and post-doctoral students. The number of eligible students was selected under the designated selection process by the Steering Committee. The language of the seminars was Greek. Moreover, the organisers provide students with the seminars' studying material, seminars; notes, slide copies, as well as any other hard or soft copy material related to the Naxos 2022 Summer School. At the end of the seminar, we had the chance to write an academic article that was published in the following year. The article is about renewable energy and the geopolitical situation in the south-east Mediterranean sea.

HOBBIES AND INTERESTS

Arts , Music , Reading novels , learning new languages

I am a huge fan of music, particularly metal, indie rock, ska and Balkan music. I play the guitar and keyboards. Also, I am a huge enthusiast of the works of Oscar Wilde and James Joyce. I really enjoy watching films and Tv series such as Peaky Blinders, Vikings and Sex Education. Some of my favourite movies are The Harry Potter saga, Star Wars, Lord of the Rings, Fight Club and Django Unchained. Moreover, I love languages and since the start of the coronavirus pandemic I have taken up Norwegian classes and French alike. Last but not least, one of my greatest secrets is that since I was just a small boy I have dreamed of becoming an actor. However, I am really happy with the path I eventually chose to follow, which is actually geopolitics.
