RELEVANT EXPERIENCE

I'm from England and have travelled extensively. I moved to Italy in 2012 because I wanted a change of lifestyle. Before I worked in offices 9-5 pm and I found very little satisfaction. Now I'm teaching, my hours are flexible and each student offers a new challenge. I have an energetic and friendly personality and students warm up to me quickly. I enjoy puzzles and being challenged, so figuring out my student's needs is paramount. I've worked in schools remotely and in presence in Italy, with large groups of adults and children, younger and older. Now I would prefer to work remotely on a more permanent basis.

HOBBIES/INTERESTS

I moved to Italy in 2012 and it is now my home. For me, Italy is friendly and warm, it gives me a more natural way of life. I have found inner peace. I have travelled extensively and enjoy meeting new people and experiencing different cultures. I like to keep fit and play in a tennis club and also practice yoga daily.
