SUMMARY

I have wide knowledge and experience in Performance and Hospitality. I stand my grounds when I say I believe I am extravagant, tenacious, unique and serve as a bold character, when I enter a room I simply exist loudly, with me I bring forth a positive attitude and the willingness and motivation to learn new things. I promise to deliver what's expected or rather what's best for any company that offers me an employment opportunity, I believe I am the ideal applicant you're looking for.
