Profile Summary

I am a very vocal individual who feels that he is destined and prepared for the world out there. I interact effectively with individuals who are able to put their differences aside when it comes to their productivity and the objective of the team as a whole. I am Zukisanani Ham. As a former sales associate, one of the most

valuable lessons I took away was the need of having a strong sense of self-belief and confidence when working toward achieving one's goals, which includes going above and beyond those goals. I have a high level of confidence that the organization is looking for people with my abilities and level of self-control in all of us.
