JASON M TEMLETT

BAS (Wits) Senior Architectural Technologist

Curriculum Vitae

With a graduate degree in Architecture, and have taught for two years in the UK while also an artist in residence, I'm currently completing my PGCE this year, 2022 - Looking forward to soon starting my teaching career; my passion for art + design, professional practice in Architecture and academia, and overseas teaching experience make for a uniquely contemporary and innovative synthesis to teach Engineering Graphics and Design (FET) and Creative Arts (SP).

PROFESSIONAL EXPERIENCE

**C76AD
ARCHITECTS**
2018 - 2021

Senior Architectural Technologist | JHB

Architectural technologist, architectural and project design consultant, graphics, visualization and proposal development, writer for tenders and features. Residential, Commercial + Public Projects. Published discourse featured in the ARCHSA journal.
