Summary

I am currently in my third year of study at the University of Witwatersrand and in December of 2021 received the qualification to teach English as a second language (ESL) from IH Johannesburg by completing the CELTA course.

The CELTA course trained me in interacting with students, lesson planning and teaching English as a second language. CELTA allowed me to teach to students who spoke various foreign languages including, French, Portuguese and Arabic.

I have some experience in the promoting field and worked to promote various products for 2 months in 2019 before stopping and moving on to private tutoring until November 2021.
