PERSONAL STATEMENT

I am a 26 year old passionate, hardworking young man who is a Public Relations Practitioner by profession. I am also a certified TEFL teacher with both academic and practical experience teaching students of all ages in an informal setting and online platform. I love people and have a heart for serving and making them happy. I love exploring new avenues and challenges and take special initiative in whatever I am doing. I am an expert communicator both professionally and as a teacher.

WORK EXPERIENCE

2023

NativeCamp | Tokyo, Freelance Teacher

- I am a freelance ESL teacher for one of the leading platforms in the market. I teach various students of different backgrounds and ages through a video platform.

2021

YBWA/YATI media publishing | Mbabane CBD, PR intern

- Content creator responsible for writing, editing and publishing articles on behalf of the client.

2018

Cheshire Home Swaziland | Matsapha, First Aid personnel/Care Giver

- Volunteered at the most prominent old age home in the country as the emergency first aid response personnel and also partaking in basic care giving duties.
- I would also engage in informal English lessons with the children, which is where I got most of my experience teaching kids.

2016

DeVlies Residence | Piet Retief, Care Giver

- I was hired by a family as a part time care giver for their grandfather mostly on weekdays when they would be working and attending school. I was mostly responsible for making sure he was well fed and takes his appropriate medication at the appropriate time.
