

PROFILE

Hello, I am Chadi a 26-year-old student from Tunisia. I am currently living in Turkey where I am pursuing a degree in business administration at Cukurova University after receiving a scholarship from the Turkish government. Currently I plan to take a break and find a job as it is more of a priority. That is why I took the TEFL ACADEMY's 168h TEFL course and got my EFL teaching certificate

WORK EXPERIENCE

Clinicexpert: Translator/ Interpreter

September 2019–Mars 2020

My job at the clinic involved translating and interpreting between the patients (using English, Arabic or French) and the medical staff (Turkish), as well as some paperwork.

Teleperformance: Technical assistance

July 2020- January 2021

Worked as a customer service specialist with a group handling the company's client Orange FR. I was a technical assistance personnel at the time.

Phoneact: Technical assistance

January 2021 – October 2021

Worked as a customer service specialist, our client was HITACHI VANTARA and I handled customer complaints, enquiries and requests.

Cansa agricultural machinery: Foreign trade specialist

May 2023 – Present

Worked as a foreign trade specialist, the tasks I was assigned were: generating leads, pitching the sale, raising brand awareness and handling logistics.
