PROFESSIONAL EXPERIENCE

Inclusive Classroom Assistant,

Bosmansdam High School - MNED

September 2020 – May 2022

Cape Town, South Africa

- I worked with the Learning Support Teacher of the school to help learners with barriers to learning, in the high school.
- I prepared a classroom environment for learning activities for learners with barriers to learning.
- Aided in content support, learning strategies, and organization.
- Adapted to the individual needs of teachers and students.
- Handling examinations of learners with audio files.
- Planned and arranged classrooms that promoted an effective learning environment.

Teacher, Bosmansdam High School - MNED

May 2022 – September 2022

Western Cape, South Africa

- Subject teacher for Afrikaans FAL for grades 8, 9, 10, and 11.
- Creative Arts teacher for all the grade 8 classes - also the planner for the term.
- Life Orientation for grades 8 and 11 - assisted with the planning for grade 8 learners.
- Pre-moderation and post-moderation of assessment tasks of learners.

Learning Support Teacher,
Sinenjongo High School - MNED

October 2022 – present
Cape Town, South Africa

- Creating a safe, stimulating, and supportive learning environment for students.
- Assesses students' abilities and identifies the student's needs and devises curriculum, and adapts teaching duties accordingly.
- Gives instruction, using techniques appropriate to the student's ability and develops and adapts conventional teaching methods to meet the individual student's needs;
- Encourages the student to develop self-help skills to circumvent the limitations imposed by their disability;
- Supervises students in the classroom and maintains discipline and also liaises with other professionals, such as social workers, speech and language therapists, and educational psychologists.
