## ABOUT ME

I am a high school graduate, soon to be qualified EFL teacher. I enjoy using my creativity to produce stimulating lessons to inspire and engage a class. I work well in a team and can communicate effectively at all levels and ages. I love learning about various cultures and beliefs.

## EXPERIENCE

---

*From November 2021 until August 2022, I worked as a Teaching Assistant for Sunnyridge Primary School as part of a program brought on by the South African Government. I assisted the grade 2 team with their day-to-day tasks, assisted in grading, created worksheets and activities for struggling students and substituted teachers who were ill or could not make it in.*

*After hours I volunteered at the after school program, aiding children of various ages with their homework and studying, helped create and execute various activities during holidays and helped with extra lessons where needed especially with English as a lot of the students were not native English speakers.*
