## About Me

I am not just a professional, but expressive and a creative individual. Even with having minimal education and having done a few courses, workshop, modeling, cooking and holistic training in shamanism. I must say that this has given me key experiences and skills that I think I could bring and incorporate into the organisation. I am able to adapt to my environment and able to solve problems faced in a fast paced environment. I believe that my experiences in the different sectors as well as my humorous and energetic attitude makes me a perfect candidate for this position.

## Experience
