Profile

I am currently completing my degree, and I have completed my Level 5 TEFL course. I enjoy using creativity in my lessons, so that the students will have fun learning as well as remember the work more easily. I work well with others, and I have effective communication skills at all levels and ages. I am a mature and happy person. I am committed to improve my teaching skills further and contributing to the success of my students. In the beginning I observe my students when they are learning so that I can adapt my teaching methods in a way that makes it easier for each student to remember the work. My past teachings have shown me the diverse ways to approach the learning process. The students are not the only ones learning in these lessons. The happiness that my students feel when they learn something new or get something correct makes me feel that I am making a positive influence in their lives. I know the work that they are learning in my lessons will be effective in their everyday lives.

Relevant Experience

For a few months I looked after a little girl, 1 year old, a few hours a day and a few days a week, we would go for walks, or we would play with her toys. Sometimes I would help the little girls brother with his homework. I look after my brother and our neighbour's children occasionally. In 2023 I started tutoring a boy in grade 3 in a different language and helped him with his reading as well as his homework. I helped another boy in grade 4 with learning for his exams, we would learn the work and if there wasn't enough time to complete the practice test, I would give him a practice exam to do when he is done learning, and I would give his parents the answer sheet for him to see what he did incorrect and where he should focus on his studying.

Employment

December 2020 – 2021: Canto Boutique Wines

- I worked as a server on weekends

December 2020 – 2021: Designated accountants

- I helped with invoices

Hobbies & Interests

I enjoy travelling and seeing the diverse cultures that there are. I have a passion for photography, I love taking photos of animals especially giraffes and zebras. In addition, I do exercise such as running, Pilates as well as exercising in the gym. Recently I have found an interest in reading, and I have set a goal for myself this year to read more books than I did the previous year.
