**Re: Faaizah Haroun Rashid**

Faaiza has been bringing her son to Speech Therapy since March 2021. Her son experiences learning and communication difficulties and therefore had unpleasant experiences at a school that he was enrolled in. She then took it upon herself to home-school him and give him the time and attention he required.

She has been extremely dedicated in this process and has assisted her son in making drastic academic improvement. She has done well in teaching him to read, write and improve his verbal communication. She always follows up on tasks recommended by me after Speech Therapy sessions and provides feedback accordingly.

It has been such a great honor to work with a mum who is so dedicated and pro-active. She always goes the extra mile and has done a fantastic job teaching her son a provided syllabus.

I highly recommend her to you for your course.

Should you require any further information, do not hesitate to get in touch with me.

Kind Regards
