Summary

I am 35 year old mom with 2 gorgeous kids. I am an early childhood development teacher with a University degree, renowned for my stellar performance in private school environments. My passion for teaching is unparalleled, and I possess a remarkable ability to connect with students and effectively convey my message. I have a proven track record of nurturing young minds and fostering their growth, including those with special needs like cerebral palsy. My adaptability, compassion, and dedication to excellence set me apart as a leader in the field of early childhood education.

Duties

Basic responsibilities for the roles I have fulfilled:

- Lesson planning: Create engaging lessons.
- Classroom management: Maintain order and positivity.
- Curriculum implementation: Teach required topics.
- Instruction: Deliver clear lessons.
- Assessment: Evaluate student progress.
- Individualized support: Help struggling students.
- Parent communication: Keep parents informed.
- Collaboration: Work with colleagues.
- Professional development: Stay updated.
- Safe environment: Ensure safety and inclusivity.
