SHANNAH NORTHING

SN

PROFILE

I completed my BA degree in Information Design at the University of Pretoria in 2017 and my Post-Graduate Certificate in Education through the University of Johannesburg in 2020. I am currently studying an Advanced Certificate in Teaching Mathematics through North West University which will allow me to teach FET Mathematics.

During my four years at university and staying in residence, as well as in my post at Muriel Brand School and Pinnacle College Rynfield, I have had to deal with a wide variety of people on an individual basis and in groups in various sectors – children, peers, tutors, parents, lecturers and senior management. This has taught me good interpersonal skills and I am able to build a good rapport with people. I am highly efficient and organised by nature and work extremely hard.

TEACHING SUBJECTS

- English
- Mathematics
- Creative Arts / Visual Art
- Design

AWARDS

- Top PGCE student 2020
- Golden Key International Honours Society 2015
