- English grammar and how to teach the essential language
- Needs analysis and teaching in different situations
- Classroom management and teaching techniques

EDUCATION

BIOMEDICAL AND INSTRUMENTATION ENGINEERING

Avinashilingam university, India. [2017]

I hold a biomedical engineering degree with a Grade 2 completion, demonstrating a solid foundation in the field. My education included coursework in areas such as medical instrumentation, biomechanics, and biomaterials, providing me with a comprehensive understanding of the intersection between engineering and healthcare. Additionally, I have obtained certifications in medical coding and embedded C.

ABOUT ME

I am a dedicated and qualified EFL teacher with a passion for fostering engaging and inspiring learning environments. Armed with a degree in education and a wealth of teaching experience, I thrive on leveraging creativity to craft dynamic lessons that captivate and motivate students of all ages. Collaborative by nature, I excel in team settings, communicating effectively with colleagues and students alike to ensure an enriching educational experience. With a commitment to excellence and a knack for innovation, I am poised to make a positive impact in an educational setting.
