-----PERSONAL SUMMARY-----

I am an energetic, enthusiastic, and hardworking individual who has the ability to grasp things easily. I work well on my own as well as within a team and meet every task set out to me head-on. My positivity, together with my dynamic personality and excellent communication and interpersonal skills make me an ideal candidate to fill this position. I am diligent and adaptable and I believe I would be a great asset to your team as I have gained a wealth of experience in various fields of work over time. The experience has been both stimulating and rewarding and has helped me enhance my personal skills. I work well under pressure, and I am constantly willing to expand, enhance and explore my potential and capabilities in any working world. Given the opportunity, I believe that I will definitely be a great asset to your institution. Not only do I work hard, but I most certainly work *SMART!!*
